

## EXCELLENCE IN TEACHING & LEARNING

### **ENGAGED**

Personal investment and empowerment that motivates students to exceed

### **CONNECTED**

Understanding of relationships within and across disciplines, and with one another

### **AUTHENTIC**

Student ownership and responsibility that grows through purposeful learning experiences

### **ADAPTIVE**

Continual development of understandings through a variety of dynamic learning experiences

### **REFLECTIVE**

Pausing to think through processes, work, and understandings, correcting where needed
