

- █ = Morning Shuttle Drop Off Route
- █ = US Parent Drop Off Loop Route
- █ = Student Parking Route

Tom Anglea Upper School Campus  
**Morning Drop Off Routes**

## Morning Drop Off Rules/Instructions

1. Speed is strictly limited to **10 MPH** on campus.
2. If dropping off only US students, follow the US parent drop off loop route through the US parking lot. You may also follow the morning shuttle drop off route.
3. If dropping off for the shuttle, please enter from either the middle entrance between the school and church, or the east church entrance closer to the Lazelle/Worthington Galena intersection, and follow the shuttle drop off route.
4. If dropping off using the shuttle route:
  - a. **You must travel clockwise around the shuttle/parent drop off parking lot** (aka the Grace Polaris Church lot) when dropping off your student.
  - b. If pulling in through the middle entrance, turn left to travel clockwise around the parent drop off lot. **DO NOT DRIVE STRAIGHT TO THE COMMONS ENTRANCE. Under NO circumstances may anyone drive in the right lane directly towards the commons during morning drop off.**
  - c. You may pull around and stop to drop off your student by the commons doors or you may pull into a parking space.
  - d. After dropping off your student, please use either the middle entrance or the east church entrance to exit the property.
  - e. You are to watch your child get on the shuttle. If you arrive before the shuttle, you must park and wait until the shuttle arrives. No child is to be left unattended. There are three shuttles in the morning: 8:00, 8:13, and 8:34.
  - f. No WC parents or students may leave their car in the parent drop off/church parking lot for the day. Any vehicles left here during the school day are subject to tow.
5. For the protection of the preschoolers, absolutely **NO WC TRAFFIC** may drive in the loop in front of the Early Childhood Center at Grace Polaris Church.
